ANNOUNCEMENT

Fellow Breeders and Farmers:

IN PRESENTING THIS, our fourth annual sale catalog, we extend a cordial invitation to all Short Horn breeders and lovers of good cattle to be with us on sale day. I wish to say that we are selling a useful lot of cattle in good breeding condition. Parties from a distance will be our guests at hotels at Tama or Toledo.

TERMS

Cash, or twelve months' time on approved notes at 8 per cent. interest. Parties unknown to us, desiring time, will please bring late bank references. Stock will be at buyer's risk as soon as bid off. All stock to be shipped will be loaded free of charge. Tama is on the main line railroads.

GUARANTEE

All bulls are guaranteed breeders when properly cared for and not allowed to run with herd. If a bull fails to breed, we must be notified within six months from date of sale. We reserve the right to have the bull returned for further trial, and the bull must be in as good condition as when sold. If he fails to breed, purchase price will be returned with interest; but, if bull breeds for us, he will be returned to purchaser at his expense. All females, of breeding age, are guaranteed breeders if properly cared for. Cow with calf at foot is a proven breeder and no further guarantee is given. Purchaser will be required to try females for six

months, and, if they fail to get in calf, we reserve the right to have them returned to us for trial, and, if we succeed in getting them with calf, they will be returned to purchaser at his expense; otherwise money will be refunded as above.

BIDS

Parties unable to be present at sale, desiring to make purchases, may send their bids to the auctioneers, in my care, at Tama, and they will be honorably treated.

LOCATION

Sale will be held at Toledo, Iowa, on the Fair Grounds, two miles north of Tama. The towns have interurbrn connections. Cars every forty minutes.

SALE CIRCUIT

Geo. H. Burge, Mt. Vernon, Iowa, March 16th.

Wm. Herkelman, Elwood, Iowa, March 17th.

Arrange to attend all these sales; you will not be disappointed in the offerings. Good train service; you will not have to travel at night.

We wish to call special attention to the bulls in use at Fairview: Roan Knight 2d, Fairview Sultan, and Baron Butterfly. We do not believe that three better bulls are in use in one herd in Iowa. Of the bulls in the offering, Lots 1 and 2 are good enough to head the best herds.

IMP. BARMPTON LEAF—bred by A. Cruickshank and imported in 1888 by Luther Adams, Storm Lake, Iowa, and sold by him to Hon. Pliny Nichols & Son, was considered the best and was the highest priced yearling heifer imported from Cruickshank's herd that year. She is what he termed the Barmpton Butterfly family, and no family of cattle stood higher in his estimation than this. Barmpton's Flower was the dam of the great breeding bull, Barmpton (37763), that sired Earl of Aberdeen 45992, used by Pliny Nichols; Baron Victor (45944), used by Col. W. A. Harris, of Linwood, Kansas; Spartan Hero 77932, used by Cookson & Sons and later by Milton Jones, and several other bulls imported from 1880 to 1885, a set of bulls to which is largely due the popularity of the Cruickshank cattle today.
